

## Print or email to agent

**Option A: Non-Airport Trips and Airport Drop-Offs Only:** You can have regular car insurance with the state minimums and have rideshare coverage with Texas Shuttle LLC as an additional insured, but you won't be able to do any airport pickups. The airports are extremely strict and do not allow any exceptions. Many companies offer rideshare coverage, 100K minimum, so you don't have to use Progressive. Don't forget Texas Shuttle LLC as the additional insured and send us proof. This is the least expensive option to get started fast, and then transition to option B to do airport pickups.

**Option B: Airport Pickups and All Other Trips: Progressive Commercial Direct [\(888\) 806-9598](tel:8888069598)** or a local progressive agent that does commercial auto Different insurance company ok, but progressive is usually the least expensive and doesn't require financing or paying up front for the year.

Product: **Commercial Auto Insurance** – not regular car insurance

Use: **Rideshare** for Texas Shuttle LLC

Radius: Generally **less than 100 miles**

Minimum Limits Required by IAH Airport and City of Houston When Picking Up a Customer:

**\$500,000 CSL for all Passenger Vehicles with 1-15 seats**

CSL = Combined Single Limit
